

HOKU SERVICES GROUP LLC

Facilities & Support Services | Sacramento, California

COMPANY OVERVIEW

Hoku Services Group LLC is a Sacramento-based, woman-owned small business providing janitorial, grounds maintenance, and administrative support services to federal, state, and local government agencies. Backed by three decades of operational and small-business management experience, Hoku delivers dependable facility services with the accountability and responsiveness that agency customers require.

CORE COMPETENCIES

- Janitorial & custodial services — recurring and one-time facility cleaning
- Grounds maintenance & landscaping — mowing, trimming, seasonal grounds care
- Office & administrative support services
- Food service support and personal-care services (barber/salon) as required

DIFFERENTIATORS

- 30+ years of hands-on operations and small-business management experience
- Owner-operated — direct accountability, no layered management
- Local Sacramento presence enabling fast response for regional facilities
- Committed to compliance with limitations-on-subcontracting and Service Contract Act requirements
